

UI/UX Screen Specification — Student Information System (SIS) Module

Reuses RGD v2.0, Appendix A–N, and the approved Admission Module UI/UX Screen Specification v1.0 by reference only; none regenerated. FR-06 to FR-09, BR-SIS-001 to BR-SIS-006, and the Student/Guardian/Document/PromotionRecord entities (Appendix-G/H) are cited by ID. Two screens (Address Details, Previous School Information) reference data not yet modeled as Student attributes in Appendix-G/H — flagged inline (*) rather than invented as new entities.

SCR-SIS-001 — Student List

Purpose	Browse and search all Student records across classes/sections.
User Roles	Admin Staff, Academic Head, Teacher (own class only), IT Admin, Management (read-only)
Navigation Path	Admin Portal > Student Information > Student List
Form Sections	N/A (list screen)
Field Display Order	N/A
Conditional Visibility Rules	Teacher role: list auto-scoped to their assigned Section(s) only (via TimetableEntry linkage).
UI Behaviour	Loading Indicator: shown while list/filter data loads. Auto Save: N/A. Confirm Dialog: N/A. Unsaved Changes Warning: N/A. Button Enable/Disable: "Bulk Action" buttons disabled until ≥1 row selected.
Buttons & Actions	View Profile, Add Student, Export, Refresh, Bulk Actions
Table Columns	Admission No, Full Name, Class/Section, Category, Status, Guardian Contact
Filters	Class, Section, Category, Status, Academic Session
Default Sorting	Full Name, ascending (default)
Default Pagination	50 rows/page (default), server-side, per Appendix-K Section 9
Bulk Actions	Bulk Export; Bulk Status Update (Admin Staff/IT Admin only)
Role Permissions	Admin Staff/IT Admin: full Read+Export+Bulk. Academic Head/Management: Read+Export. Teacher: Read (own section only).
Related Business Rules	BR-SIS-005 (section capacity), NFR-SRCH-001 (search performance)

Success/Error Condition	Message
No Results	"No students match the selected filters."
Export Queued	"Export is processing — you will be notified when ready." (NFR-RPTP-001, large exports)

SCR-SIS-002 — Student Profile

Purpose	Consolidated read view of a student's full record across all sub-sections.
User Roles	Admin Staff, Academic Head, Teacher (own section), Parent/Student (own/linked record, read-only), IT Admin
Navigation Path	Student List > [Select Student] > Profile
Form Sections	Personal Details, Academic Details, Parent/Guardian, Address, Medical Information, Previous School, Documents
Field Display Order	Personal → Academic → Parent/Guardian → Address → Medical → Previous School → Documents (tabbed)
Conditional Visibility Rules	Medical Information tab hidden from Teacher role unless explicitly granted (Sensitive/PII, Appendix-G). Parent/Student view is read-only for all tabs.
UI Behaviour	Loading Indicator: per-tab lazy load. Auto Save: N/A (read-only). Confirm Dialog: N/A. Button Enable/Disable: "Edit" button hidden for Parent/Student and Teacher roles.
Buttons & Actions	Edit Student, Generate ID Card, Generate Transfer Certificate, Back to List
Table Columns	N/A (detail screen; Documents tab shows a table — see SCR-SIS-009)
Filters	N/A
Default Sorting	N/A
Default Pagination	N/A
Bulk Actions	N/A
Role Permissions	Admin Staff/Academic Head/IT Admin: Read all tabs. Teacher: Read (Medical tab restricted). Parent/Student: Read (own record only).
Related Business Rules	BR-SIS-002 (data completeness), NFR-ENC-001 (Sensitive field protection)

Success/Error Condition	Message
Load Error	"Unable to load student record. Please retry."

SCR-SIS-003 — Add Student

Purpose	Create a new Student record directly (outside the Admission workflow, e.g., mid-year transfer-in).
User Roles	Admin Staff, IT Admin
Navigation Path	Student List > Add Student
Form Sections	Personal Details, Academic Assignment
Field Display Order	Full Name → Date of Birth → Aadhaar Number → Category → Section → Medical Information (optional)
Conditional Visibility Rules	Medical Info field hidden until Personal Details section is valid. Aadhaar field masked after entry (shows last 4 digits only).
UI Behaviour	Auto Save: Draft auto-saved every 30 seconds. Confirm Dialog: shown on Cancel if unsaved changes exist. Loading Indicator: shown on Save. Unsaved Changes Warning: shown on navigation away. Button Enable/Disable: "Save" disabled until all mandatory fields valid.
Buttons & Actions	Save as Draft, Save & Activate, Cancel
Table Columns	N/A
Filters	N/A

Default Sorting	N/A
Default Pagination	N/A
Bulk Actions	N/A
Role Permissions	Admin Staff/IT Admin: Create.
Related Business Rules	BR-SIS-002 (mandatory data), BR-SIS-003 (Draft→Active transition), BR-SIS-005 (section capacity)

Field Name	Type	Mandatory	Validation	Default	Placeholder	Min/Max Len	RO/Editable
Full Name	Text	Yes	Non-empty	—	Enter full name	3/100	Editable

Validation Error	"Please correct the highlighted fields."
Capacity Error	"Selected section has no available capacity." (BR-SIS-005)

SCR-SIS-004 — Edit Student

Purpose	Update an existing Student record's core details.
User Roles	Admin Staff, IT Admin
Navigation Path	Student Profile > Edit Student
Form Sections	Personal Details, Academic Assignment
Field Display Order	Identical field order to Add Student (SCR-SIS-003)
Conditional Visibility Rules	Category change on an Active student routes through ApprovalRequest (BR-SIS-004) rather than a direct save. Status field only shows valid forward-transitions from current state.
UI Behaviour	Auto Save: disabled (explicit Save required for edits to an Active record). Confirm Dialog: shown before saving a Category or Status change. Loading Indicator: shown on Save. Unsaved Changes Warning: shown on navigation away. Button Enable/Disable: "Save" disabled if no field changed.
Buttons & Actions	Save Changes, Request Approval (for locked fields), Cancel
Table Columns	N/A
Filters	N/A

Success	"Student record updated."
Approval Pending	"This change requires approval and has been submitted." (BR-SIS-004)
Validation Error	"Please correct the highlighted fields."

SCR-SIS-005 — Parent/Guardian Details

Purpose	Manage the one-or-more Guardian records linked to a Student.
User Roles	Admin Staff, IT Admin; Parent/Guardian (read own record)
Navigation Path	Student Profile > Parent/Guardian tab
Form Sections	Guardian List, Add/Edit Guardian
Field Display Order	Full Name → Relationship → Mobile Number → Email → Primary Contact toggle
Conditional Visibility Rules	"Primary Contact" toggle, when switched on, automatically switches off the previously-primary guardian (single-primary enforcement, BR-SIS-006).
UI Behaviour	Auto Save: disabled. Confirm Dialog: shown when removing a Guardian link. Loading Indicator: shown on Save. Unsaved Changes Warning: yes. Button Enable/Disable: "Save" disabled until mandatory fields valid.
Buttons & Actions	Add Guardian, Edit, Remove Link, Save
Table Columns	Guardian Name, Relationship, Mobile Number, Primary Contact (Yes/No)
Filters	N/A (typically ≤3 rows per student)
Default Sorting	Primary Contact first
Default Pagination	N/A (not paginated)
Bulk Actions	N/A
Role Permissions	Admin Staff/IT Admin: Create, Read, Update, Delete. Parent/Guardian: Read (own record only).
Related Business Rules	BR-SIS-006 (guardian linkage and primary-contact rule)

Success/Error Condition	Message
Success	"Guardian details saved."
Validation Error	"At least one guardian must be marked Primary Contact." (BR-SIS-006)

SCR-SIS-006 — Address Details

Purpose	Record the student's residential address for correspondence and transport allocation reference.
User Roles	Admin Staff, IT Admin
Navigation Path	Student Profile > Address tab
Form Sections	Current Address, Permanent Address
Field Display Order	Address Line 1 → Address Line 2 → City → State → Pincode → Same as Current (toggle)
Conditional Visibility Rules	Permanent Address section hidden when "Same as Current" toggle is on; its values are then mirrored from Current Address, not separately entered.
UI Behaviour	Auto Save: disabled. Confirm Dialog: N/A. Loading Indicator: shown on Save. Unsaved Changes Warning: yes. Button Enable/Disable: "Save" disabled until mandatory fields valid.
Buttons & Actions	Save, Cancel
Table Columns	N/A
Filters	N/A

SCR-SIS-008 — Previous School Information

Purpose	Record a student's prior schooling history for transfer-in students.
User Roles	Admin Staff, IT Admin
Navigation Path	Student Profile > Previous School tab
Form Sections	Previous School Details
Field Display Order	Previous School Name → Board → Last Class Attended → Transfer Certificate Number
Conditional Visibility Rules	Section only shown/relevant when the student's admission category indicates transfer-in (not a fresh first-time admission).
UI Behaviour	Auto Save: disabled. Confirm Dialog: N/A. Loading Indicator: shown on Save. Unsaved Changes Warning: yes.
Buttons & Actions	Save, Cancel
Table Columns	N/A

Filters	N/A
Default Sorting	N/A

SCR-SIS-010 — Student Status Management

Purpose	View and change a student's lifecycle status (Draft/Active/Promoted/Exited/Archived).
User Roles	Admin Staff, Academic Head, IT Admin
Navigation Path	Student Profile > Status tab
Form Sections	Current Status, Status Change
Field Display Order	Current Status (display) → New Status → Reason → Effective Date
Conditional Visibility Rules	"New Status" dropdown only lists statuses reachable from Current Status (e.g., Draft can go to Active but not directly to Archived).
UI Behaviour	Auto Save: disabled. Confirm Dialog: shown before confirming any status change (irreversible in most transitions). Loading Indicator: shown on Save. Unsaved Changes Warning: yes.
Buttons & Actions	Update Status, Cancel
Table Columns	N/A (status history shown as a simple read-only list, not a full table)
Filters	N/A
Default Sorting	N/A
